## Playground and Pavilion Facilities Form

All persons using the playground and pavilion facilities must adhere to the following rules and guidelines:

- Persons reserving the use of the playground and pavilion are responsible for their guests and any damage done by their guests.
- Garbage receptacles on site may be used, but **ALL** garbage must be removed from site and taken with resident to their home for proper disposal.
- Please place new liners in receptacles for regular playground/picnic users.
- Any decorations or materials used for parties that may cause permanent damage or defacement of property may not be used.
- All decorations and materials must be completely removed upon leaving the facility.
- Before leaving, please patrol the facility and surrounding areas picking up and removing any debris that was generated from your function and/or guests.
